Our vision is to help make Chambers County a place where children are protected and loved, individuals are respected, families are empowered, and community is valued. PARENTS AS TEACHERS assists us in seeing these outcomes. PARENTS AS TEACHERS believes that the Parent is the child's first and most influential teacher. The program can help you lay a strong foundation for your child's future success in school and life and better ensure that your child is safe and successful. Parents as Teachers is offered free of charge to parents throughout their pregnancy until their child reaches five years of age. Parents as Teachers provides:

- *Home visits by a certified parent educator*
- *Fun, interactive activities that benefit your child*
- *Group meetings with other parents to share parenting experiences and talk about other topics*
- *Vision, hearing & developmental screenings*
- *Connections to community resources*
- *Prenatal services*
