First Class PreK gives Alabama the opportunity to set a national standard in child-care quality. Having worked with educators and designers for decades to create quality environments for children, Community Playthings is your best partner in a PreK startup. We offer:

Free room planning: Our designers will work with you to create a plan for your classrooms that meets the needs of your space and budget.

Durable products: Use funding available now to take care of your furniture needs for good. Customers who have used our products for decades report them to be still in good condition.

Ten-Year Warranty: Just to make sure!

Free Shipping: No hidden costs.

Factory Direct Prices: We sell direct to give you best value.

Free staff development resources: Our articles, booklets, and videos can help you train staff in space design, child development and many other topics.

The sample First Class PreK classroom below will help you get started. Call **800-777-4244** to discuss how we can help create a customized layout for your space.

Warm regards,

Roxie Payne
