We are proud to be an Alabama First Class Pre-K Playground Vendor and we are excited to work with you to encourage school readiness. Explore the following pages to learn about our Alabama First Class Pre-K playground packages.

The Adventurous Child is a preschool playground equipment manufacturer dedicated to children and early childhood education through preschool outdoor play. The Adventurous Child specializes in outdoor classrooms, natural playgrounds, and outdoor preschool play equipment featuring environmentally-friendly recycled plastic and natural wood materials. The Adventurous Child has been designing children's outdoor playground equipment, preschool playgrounds, and infant toddler playgrounds since 1986.

The Adventurous Child products are created by Certified Playground Safety Inspectors. Our outdoor preschool play equipment is designed using the safety and accessibility guidelines stated by The Americans with Disabilities Act (ADA), Consumer Product Safety Commission (CPSC) and The American Society for Testing and Materials (ASTM) standards.
