Amount of Funds

Provide the amount of your allocation from CFTF for 2015-16*

\$447,297.00

If you will carry over funds from previous year, please provide that amount.

Plan of Investment

According to the law that establishes the Children First Trust Fund, each agency will submit a "Plan of investment [that includes] but [is] not... limited to, a minimum of four (4) quality assurance items...Quality assurance items shall include the number of children receiving service, an identifiable measure of success of services provided and a prioritized standard of successful measures for future plans of investment." (Section 5) Please complete the questions below as they specifically relate to the Children First Trust Fund money allocated to your department and how you will measure and report success.

Overall Impact Statement*

Explain what overall impact the CFTF allocation to your department will have on children, families, and/or the overall well being of the state. What need(s) will be met and/or what impact will your agency's actions have?

The Department of Forensic Sciences provides timely, competent, and unbiased analysis of evidence generated during criminal investigations to the criminal and civil justice system and to the citizens of the State of Alabama. The ADFS provides adequate child death investigation services to determine the cause and manner of death, analysis in juvenile controlled substances, juvenile sexual assault/identification and juvenile Firearms and Toolmarks cases.
