The First Teacher Program serves both Mobile and Monroe counties and is a no-cost home visiting program that provides parents with information, support, and encouragement needed to help children develop optimally during the crucial early years of life. Our First Teacher program uses the Parents as Teachers curriculum and serves children from birth to 5 years.

Our Home Visiting Program Includes:

- *Children's books, supplies, curriculum and activities for free!*
- *Weekly or bi-weekly home visits*
- *Group meetings for families with topics such as parenting, financial wellness, and make-and-take workshops*
- *Child development screenings*

...and more!
