Kindergarten Readiness

is easy with iStartSmart® Tablets from Hatch

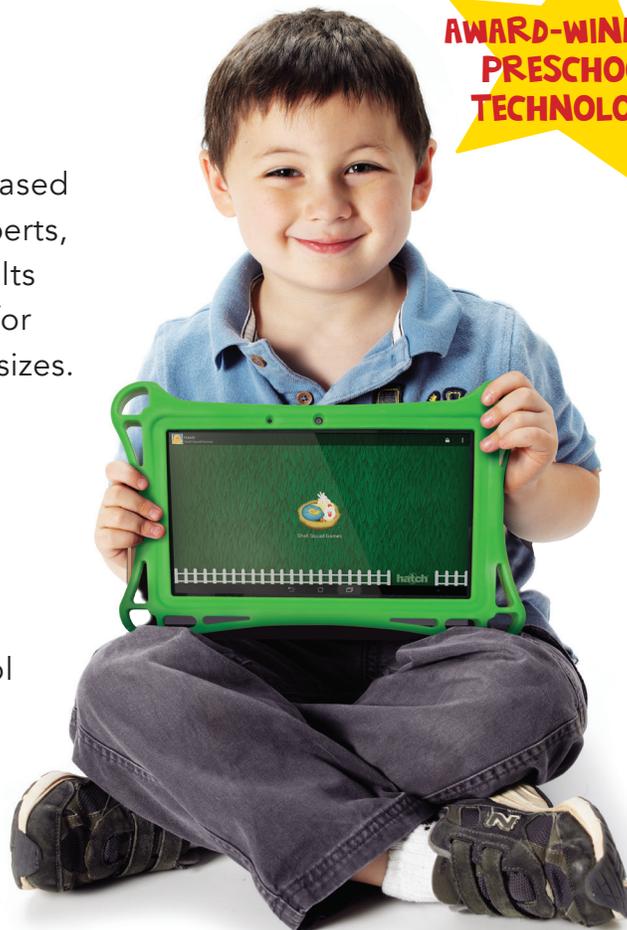

**AWARD-WINNING
PRESCHOOL
TECHNOLOGY**

PRESCHOOL LEARNING TABLETS FOR KIDS

iStartSmart Mobile is the early learning tablet that fascinates and engages. Pre-loaded with research-based early learning software and apps hand-picked by experts, it monitors child progress as they play—showing adults exactly what each child knows! iStartSmart is great for early learning and special education programs of all sizes.

KINDERGARTEN READINESS SUCCESS - RESEARCH SHOWS IT WORKS!

A scientific research study conducted during the 2011-2012 school year demonstrated that children using the iStartSmart Learning System significantly outperformed a control group on two tests of school readiness in both math and literacy. Children who used the iStartSmart Learning System over 20 educational weeks scored statistically significantly above the national average on standardized tests in math and literacy after using the technology.

MONITOR PROGRESS TO INFORM INSTRUCTION & REFOCUS LEARNING

Teachers can instantly understand exactly how their children are developing within 18 core skill areas - individually, or as a class! Teacher can refocus activities so that the students can spend more time developing a particular skill set if necessary. Progress monitoring reports aid in frequent and accurate assessment of each child, making it easy to identify and assist struggling students and even track program accountability.
