

## Parents as Teachers

Marshall County Home  
Visitation Program

# MVP

## Marshall County Schools

**Our Ultimate goal is to encourage Parents to be their Child's First Teacher.**

Marshall County Home Visitation Program will empower the parent to become their child's first teacher.

### Marshall County Schools

### Marshall County Home Visitation Program

This program will benefit all families from Pregnancy until the child reaches five years of age. We work with all families including some that may face barriers such as their own negative educational experiences, poverty, language, and social isolation.

Our free program includes Personal Home Visits by a Certified Parent Educator, Monthly Parent Group Meetings, Monitoring Child Development, PAT Information, Aiding Parents with Resources, Program Assessments, and Health Screenings.
