Parent Fees are not a requirement of the First Class Pre-K program. All parent fees must be invested into the pre-k classroom. Programs may choose, however, to request parent fees (tuition) based on the above guidelines. No child may be refused access to First Class Pre-K program based on inability to pay. If a child is designated as being served by Title I, migrant or homeless funds, programs should refer to the guidance of their local LEA concerning the charging of fees to these students.
