Phase 2: Alabama First Class Pre-K Pre-Registration

DATES:
January 15 until Random Selection Drawing Held in March

EVENTS:

- Programs will conduct pre-registration for a period of no less than a month via the online ASAP platform. The ASAP platform will not be open for upcoming year pre-registration until January 15th. The DECE mandated timeline for pre-registration must be adhered to unless a written waiver is granted by DECE.

- Parents/Guardians go online (link provided on flyer on p. 3) to the ASAP platform beginning January 15th and complete the electronic pre-registration form (using the illustrated guide on pages 6 and 7 to assist them if needed). When a pre-registration is submitted in ASAP, the family will receive an automatic email confirmation (see page 10 for a template of the email).

- Parents/Guardians provide a copy of their most recent utility bill, lease, or mortgage as proof of Alabama residency. Additional requirements for proof of eligibility such as income and/or demographic information may be required by the local program as funding mandates dictate.

  NOTE: If the local program wishes, it may require parents to provide documentation of eligibility before giving them the link to the pre-registration site. This includes residency eligibility for public schools as well as income/demographic eligibility for Head Start programs.

- Program directors/registrars may go online to the ASAP platform and view/monitor pre-registrations. See directions on pages 8-10.

- It is the responsibility of the local program to provide pre-registration assistance to families and facilitate computer access if needed.

  Helpful Hints for Supporting Families During Online Pre-Registration
  There are families with barriers to completing an online pre-registration process. These are the very families whose children we most need to reach and serve. Therefore, we must be prepared to offer supports to help them successfully complete the pre-registration process. We have kept this in mind and have limited how much typing is required in the online form, offered more drop-down choices, and eliminated the need to enter any codes or school names.

  Below are some suggestions for providing additional support:
  • Advertise and host Pre-K Pre-Registration Night events at the local school board office, elementary school, public library, trailer park, apartment complex, etc. and have laptops/computers set up for parents/guardians to use to complete the pre-registration process. Have EL teachers and Pre-K teachers on hand to assist those who have trouble.
  • Have laptops/computers set up in your Pre-K program’s office/lobby area for parents/guardians to come in and use to complete the pre-registration process. Provide copies of the illustrated Pre-Registration Process Guide for them to follow. It is also helpful if this station is set up in close proximity to a receptionist or secretary who has been familiarized with the process and can provide assistance when needed.
  • Remember that, where there is a will, there is a way. Families who receive food stamps and other types of federal financial support complete online applications for these programs. They can do this.

NOTE: All grantees must utilize the ASAP online pre-registration program provided by the Alabama Department of Early Childhood Education. Please do not request that an exception be made to this requirement.

Phase 3: Random Selection Drawing

DATES:

March 1 - 31

EVENTS:

☐ All programs hold their public random selection drawing between the dates of March 1st and 31st. Directors will follow instructions on page 12 to print out a list of all children who have pre-registered for their program then follow First Class Pre-K Program Guidelines to conduct a random selection drawing. For each class a program has, after 16 children per class are drawn during the random selection process, the remaining students continue to be drawn and numbered in the order they are drawn. This will be the order of the waiting list if new students need to be added to a classroom. The program should keep the order of names on the waiting list on its own written document or spreadsheet. In addition, the program may follow the directions on page 13 to mark the correct waiting list order in ASAP.

☐ NOTE: If a program has multiple birth siblings (twins, triplets, etc.) all names should be placed in the drawing separately. If one, but not all, multiple birth siblings are drawn before the classroom cap at 16, the drawing should cease at this point and the 1 or 2 multiple birth siblings should be added to the classroom roster at this point to reach full classroom enrollment.

☐ ADDITIONAL NOTE: If a classroom is located in a center that currently has a program for 3-year-old children, those children may not automatically be moved up to the OSR First Class Pre-K classroom unless the program is federally mandated. Those children must submit the online pre-registration form and be placed in the public random selection drawing like all other children from the community who submit applications.

ASAP Student Status Notes

By April 13th:
Directors should have changed the status in ASAP of all pre-registered students with ENROLLED status to PENDING (if selected in the drawing), WAITLISTED (drawn after the predetermined number of seats — 16 or 18), or DROPPED (if did not meet program requirements or if a duplicate entry).

Between April 16th and 18th:
Only students who have a status of PENDING or WAITLISTED in ASAP will receive the Status Notification email that will be sent in batches from the department (see example on p. 14).

After the Pre-Registration Period Ends and During the School Year:
• Students who pre-register after the random selection drawing will appear on the program’s roster in ASAP as ENROLLED.
• If a program has space for the newly pre-registered student, the status should be changed from ENROLLED to PENDING and the program should notify the family and request a reply to accept or decline the spot. Otherwise, the student should be marked as WAITLISTED and added to the bottom of the program’s existing waiting list. The director should contact the family and indicate that the student is on the waiting list.
• Note that programs should maintain their own waiting lists outside of ASAP in order to ensure children’s names remain in the correct order.
• An automatic email will not be sent for pre-registration applications entered after April 13th. Directors will be responsible for contacting those families individually.

Beginning May 1st and Throughout the School Year:
No student should remain in ASAP with ENROLLED status. ALL students should have one of the following status indicators as appropriate:
1. PENDING—selected in random drawing and awaiting reply from the family
2. WAITLISTED — waiting for a position to become available
3. DROPPED — student declined, student withdrew, student did not meet program requirements, student entry was a duplicate
4. COMPLETED— student accepted a position and has been assigned to a classroom
Phase 4: Mark Results of Random Selection Drawing in ASAP

Also note that, under Class Code, the Program will not have the () dot followed by a letter and two numbers. Those are the individual classes.**

4. Click on the Class Roster tab, then, beside the View prompt, choose “Enrolled and Pending.”

5. To change one student’s status at a time, click the “Select Action” button beside the student’s name and then “Edit Status.”

6. In the window that opens, choose the new status for the student, then click “Save.”

Unless you changed the student’s status to Pending, the student’s name will have disappeared from the current list because this “View” is only showing “Enrolled and Pending.”

7. To change the status of multiple students at once, click the checkboxes beside the students’ names whose status you wish to change, then click the “Mass Edit Status” link at the top right of the Class Roster window.

8. In the window that opens, choose the new status for the selected students, then click “Save.”

9. To see the students whose status was changed, change the selection beside the “View” prompt to see the list of students with that status.
Phase 4: Mark Results of Random Selection Drawing in ASAP

*Mark correct waiting list order in ASAP*

**MARK CORRECT WAITING LIST ORDER IN ASAP**

Manually enter dates and times for waitlisted students so they will be listed in ASAP in the order in which they were selected in the random selection drawing.

1. When putting students on the Waiting List, mark them one at a time.

2. Put a check beside the student’s name, click the Select Action button, and choose Edit Status from the drop-down menu.

3. From the Enrollment Status drop-down menu, choose Waitlisted. For the Enrollment Date and Enrollment Time, enter a date and time that will put the student in numerical order behind the student on the waiting list in front of him.

For Example:
For the first student on the Waiting List, enter the date of 1/1/2018 and the time of 8:00 AM. The next student on the waiting list could be 1/1/2018 and the time of 8:01 AM. The next student would also have the same date and the time of 8:02 AM, then the next one would be 8:03 AM, and so forth for as many students as need to be on the list. This will generate a Waiting List in ASAP with students in the correct order in which they were drawn in the random selection.

Phase 5: Parent/Family Notification
DATES:
April 16 - 18

EVENTS:

☐ Parents/Guardians of students who have a Pending or Waitlisted marked status in ASAP will receive an email notification for each program for which the child is pre-registered. The emails will be sent in batches by the DECE Office between April 16th and 18th and will report each student’s status as a result of the random selection drawing. For students with Pending status, the email will direct the family to contact the director of the program for which they were selected to accept or decline the position. (See page 17 for templates of the email notifications.) Directors should not rely solely on parents to accept or decline a position and should contact families who have a Pending status if do not get a response to determine if the parent/guardian wishes to accept the position in the program.

☐ Students whose status is marked in ASAP as anything other than Pending or Waitlisted will not receive an automatic email from the DECE Office and must be contacted by the program.

NOTE: Students who pre-register after the drawing will appear on the program’s ASAP roster as Enrolled just as students did prior to the drawing. When a student registers for a program after the drawing has already been completed, one of the following actions should be taken by the program. Students should not be left at Enrolled status in ASAP.

• If the program has space for the newly enrolled student, the status should be marked PENDING and the school/program should notify the family to find out if they want to accept the position. If the position is accepted, the student’s status should be changed to Completed. If the position is declined, the student’s status should be changed to Dropped.

• If the program does not have space for the student, the child’s status should be marked WAITLISTED and added to the bottom of the program’s existing wait list. The school/program/director should contact the family and indicate that the student is on the waitlist.

• If the newly enrolled (pre-registered) student is not eligible for the program, the status should be marked as Dropped.

Note that automatic emails are not sent by the DECE Office for pre-registrations which occur after April 15th.

Additional Information for Directors

- **Program Directors May Begin Contacting Parents on April 19th**: After the April 16th – 18th period when parents are notified of their child’s status based on the random selection drawings through mass emails from the Department of Early Childhood Education, program directors do not have to wait to hear from parents to determine whether an available position in their program is being accepted or declined. Directors may contact parents to request a decision at any time beginning April 19th. After receiving parent responses, for each child marked as PENDING, the director should confirm in ASAP whether the seat is being accepted or declined. At this point, the director will follow directions in the ASAP Guide for marking children as COMPLETED or DROPPED and for assigning students to specific classes in a school/program.

- **Students Whose Parent Accepts a Position in More Than One Program**: There is no way to prevent parents from doing this. However, in July, the Department of Early Childhood Education will attempt to identify students who are marked COMPLETED in more than one class, contact the families for a decision limited to one class, and drop the students from class(es) not selected. If a child is still assigned to more than one class once school begins, the director should note when the child doesn’t show up for class, contact the family, and drop the child if he has begun school in another program.

- **Students Removed from Other Wait Lists After Being Assigned to a Class**: Once the school year has begun, a child who is marked as COMPLETED in a program and assigned to a class will be dropped from any other programs’ waiting lists. This will be done by the Department of Early Childhood Education Office and should not be attempted by a program director.

- **Enrolling After Initial Registration Process is Complete**: Families who pre-register after the initial random selection drawing has been conducted will follow the same online pre-registration process and directors should mark them as PENDING or WAITLISTED as their pre-registration is completed, depending on availability of Pre-K class positions in the program.

- **Marking Status of Withdrawn Child**: Children who withdraw from a class during the year should be marked by the director as DROPPED.

- **Parent Contract and ASQ Forms**: Programs are strongly encouraged to have parents complete Emergency Contact and Transportation Information, Parent Contracts, and ASQ-3 documents at Parent Orientation. These documents will be the responsibility of the program and will be kept locally and checked by Coaches/Monitors for completeness. More information about this can be obtained from the Coach/Monitor.

- **Newly Selected Grant Recipient Sites**: Will be notified of registration process timeline following the grant award.

Frequently Asked Questions

WHAT HAPPENS IN ASAP IF A STUDENT WITHDRAWST DURING THE YEAR?
Children who withdraw from a class during the year will be marked in ASAP by the Director as “Dropped.” The Director will then go to the name of the next student on the Waiting List and contact the family to determine if they want to accept the newly vacated position. If the position is accepted, the student’s status is changed to Completed and he/she is assigned to a class. If the position is declined, the student’s status is changed to Dropped and the Director moves on to the next name on the waiting list and repeats the process.

WHAT ABOUT PARENT CONTRACTS AND ASQ FORMS?
Programs are strongly encouraged to have parents complete Emergency Contact and Transportation information, Parent Contracts, and ASQ-3 documents at Parent Orientation. These documents will be the responsibility of the program and will be kept locally and checked by Coaches/Monitors for completeness. More information about this can be obtained from the Coach/Monitor.

WHAT IF A PROGRAM RECEIVES A NEW GRANT AWARD AFTER APRIL 15TH?
Recipients will be notified of the registration process timeline following announcement of new grant awards.

WHAT NEEDS TO HAPPEN IN ASAP IF A PARENT WHO HAS BEEN MARKED COMPLETED IN ASAP DECIDES THEY WANT TO REGISTER THEIR CHILD AT ANOTHER SITE LATER?
A parent can log into their existing ASAP account at any time during the year and select another school for which they wish to pre-register. If they are offered a seat in the newly selected program, they may accept it and withdraw from the program in which they already have Completed status. The Director of the program in which the child is at Completed status will change the status to Dropped and the Director of the new program will assign the child to a class with Completed status.

WHAT DOES A DIRECTOR DO DURING THE YEAR WHEN A VACANT POSITION IN A CLASS COMES OPEN?
The Director will contact the next name on their waiting list and find out if the parent wants the position or not. If the parent wants it, they will change the student’s status in ASAP from Waitlisted to Completed. If the parent declines the position, the Director will change the student’s status to Dropped.

WHAT HAPPENS IF A PARENT ACCEPTS A POSITION IN MORE THAN ONE PROGRAM?
In mid-May, the DECE Office will run a report in ASAP to find students who may have Completed status in more than one program. The family will be contacted by the DECE Office and asked to choose one program. The DECE Office will email the Director of any program other than the one chosen and notify him/her that the student’s status at their program has been changed to Dropped. Once school starts, if a child has Completed status at more than one school, when the child doesn’t show up, the Director will contact the family and change the student’s status to Dropped if they have accepted a spot in another program.

SINCE THE AUTOMATIC EMAIL NOTIFICATIONS TO PARENTS OF STUDENTS WITH PENDING STATUS IN ASAP THAT GO OUT BETWEEN APRIL 16TH AND 18TH SAY PARENTS HAVE 7 DAYS TO RESPOND, WHAT HAPPENS IF THE DIRECTOR DOESN’T HEAR FROM THEM?
Parents are asked to respond within 7 days because that period could not be left open-ended. However, Directors should contact families of Pending status students if they do not hear from them during that time.

DO DIRECTORS HAVE TO WAIT UNTIL APRIL 19TH TO BEGIN MARKING STUDENTS AS COMPLETED IN ASAP?
Directors may begin marking students’ status as completed as they receive responses from parents. They do not have to wait until all parent responses are in before beginning changing statuses to Completed.
