- Director views pre-registrations in ASAP from January 15th until Random Selection Drawing Date
- Director oversees pre-screening of pre-registration applications for eligibility based on residency requirements, age requirements, etc. and changes status in ASAP of any child not meeting requirements to Dropped and does not include the child in the random selection drawing to be held in March

 - All children marked as Completed must be assigned to a specific class in ASAP

DIRECTOR PRE-REGISTRATION TIMELINE DETAILS

- 1. ADVERTISE - January 15 until Random Drawing Held in March:** Programs place recruitment notices around the community using the advertising flyer provided by DECE. They also provide access to the DECE-provided *Pre-Registration Parent Guide*.
- 2. PRE-REGISTRATION - January 15 until Random Drawing Held in March:** Parents/Guardians go online (link provided on flyer) to the ASAP platform and complete the electronic pre-registration form (using the DECE-provided illustrated guide to assist them) and provide a copy of their most recent utility bill, lease, or mortgage as proof of Alabama residency (and district residency if required by the local school board). If the local program wishes, they may require parents to provide documentation of eligibility before giving them the link to the pre-registration site. It is the responsibility of the local program to provide pre-registration assistance to families and facilitate computer access if needed (see *Helpful Hints for Supporting Families During Online Pre-Registration* at end of this document). **NOTE:** All grantees must utilize the ASAP online pre-registration program provided by the Alabama Department of Early Childhood Education. *Please do not request that an exception be made to this requirement.*
- 3. RANDOM SELECTION DRAWING - March 1-31:** All programs hold their public random selection drawing between the dates of March 1st and 31st. Directors will follow instructions provided in the *Directors' ASAP Guide* to print out a list of all children who have pre-registered for their program then follow program guidelines to conduct a random selection drawing. For each class a program has, after 18 children per class are drawn during the random selection process, the remaining students continue to be drawn and numbered in the order they are drawn. This will be the order of the waiting list if new students need to be added to a classroom.

NOTE: If a program has multiple birth siblings (twins, triplets, etc.) all names should be placed in the drawing separately. If one, but not all, multiple birth siblings are drawn before the classroom enrollment is at 16/17, the drawing should cease at this point and the 1/2 multiple birth siblings should be added to the classroom roster at this point to reach full classroom enrollment of 18 students.

ADDITIONAL NOTE: If a classroom is located in a center that currently has a program for 3-year-old children, those children may not automatically be moved up to the OSR First Class Pre-K classroom unless the program is federally mandated. Those children must submit the online pre-registration form and be placed in the public random selection drawing like all other children from the community who submit applications.

DIRECTOR PRE-REGISTRATION TIMELINE DETAILS (continued)

4. **MARK RESULTS OF RANDOM SELECTION DRAWING - April 2 - 15:** When a parent/guardian pre-registers a child, the child's status in ASAP is "Enrolled" meaning the pre-registration is done. After the final drawing deadline date of March 31st, all program directors will have **two weeks** to go into ASAP and change each child's status on their pre-registration list from "Enrolled" to either "Pending" (meaning the child's name was selected in the random drawing for a seat in the program) or "Waitlisted" (meaning the child's name was not selected and is on the program's waiting list). Directors are not required to wait until this two-week window to mark random drawing results, but may do this as soon as the drawing has been conducted. The *Directors' ASAP Guide* provided by DECE gives detailed instructions for completing this process.

5. **PARENT/GUARDIAN NOTIFICATION - April 16 - 18:** The Alabama Department of **Early Childhood Education office** will trigger emails to be sent to each pre-registrant family notifying them of their pending or waitlisted status for each program they selected. The email will direct families to contact the director of each program for which they were selected to accept or decline the position. *Directors should not rely solely on parents to do this and should contact families who have a pending status to determine if the parent/guardian is accepting the position in the program.*
NOTE: If students are not marked as Pending or Waitlisted in ASAP within this window, parents will not receive these email notifications and the program will be responsible for notifying parents of each child's status as a result of the random selection drawing.

6. **COMPLETION - Beginning April 19:** After receiving parent responses, for each child marked in ASAP as Pending, the Director must indicate in ASAP whether the seat is being accepted or declined. The Director will follow directions in the *Directors' ASAP Guide* for marking "Pending" children as "Completed" (meaning the child's enrollment process is complete and he has been assigned to a class) or "Dropped" (meaning the child declined a position in the program or withdrew from it after being assigned to a class). After a child is marked as "Completed" in a program, his/her name will be deleted from any other program's waiting list by the DECE office.

7. **CLASS CREATION – Beginning April 19:** The Director will follow instructions provided in the *Directors' ASAP Guide* to go into ASAP and assign students to specific classes.

Assisting Parents/Guardians With First Class Pre-K Pre-Registration

There are families with barriers to completing an online pre-registration process. These are the very families whose children we most need to reach and serve. Therefore, we must be prepared to offer supports to help them successfully complete the pre-registration process. We have kept this in mind and have limited how much typing is required, offered more drop-down choices, and eliminated the need to enter any codes or school names.

Below are some suggestions for providing additional support:

- Post flyers about pre-registration in such places as the public library, the health department, pediatricians' offices, the school board office, local elementary schools, the local school system website, and in apartment complex offices. Provide copies of the illustrated *Pre-Registration Process Guide* wherever flyers are posted.
- Advertise and host *Pre-K Pre-Registration Night* events at the local school board office, elementary school, public library, trailer park, apartment complex, etc. and have laptops/computers set up for parents/guardians to use to complete the pre-registration process. Have EL teachers and Pre-K teachers on hand to assist those who have trouble.
- Have laptops/computers set up in your Pre-K program's office area for parents/guardians to come in and use to complete the pre-registration process. Provide copies of the illustrated *Pre-Registration Process Guide* for them to follow. It is also helpful if this station is set up in close proximity to a receptionist or secretary who can provide assistance when needed.
- Remember that where there is a will, there is a way. Families who receive food stamps and other types of federal financial support complete online applications for these programs.

VIEW PRE-REGISTRATIONS

To view the names of all children who have pre-registered for the program:

1. Go to **app.asapconnected.com** and type in the Org ID which is **4814**.

2. Enter your Username and Password and click “Log In.”

3. Click on the Group Classes tab. **Note that, when pre-registration is underway for a new upcoming school year, both the current school year classes AND the upcoming school year classes will be displayed. The difference can be distinguished by looking at the DATE column. To work with a particular Program or Class, locate the correct date range for the relevant school year then choose the Program/Site Name for the correct school year listed under EVENT. Also note that, under Class Code, the Program will not have the (.) dot followed by a letter and two numbers. Those are the individual classes. Ignore the individual classes with codes ending with a (.)dot followed by two numbers and a letter because you are looking for the site/school as a whole to view preregistrations. To see your site(s)/program(s), scroll down to the Class Code(s) with only nine characters.**

4. Click the Demographics tab then, next to the Select Template prompt, choose “Review List.” When the list populates, scroll to the right to see all information including addresses. (Note: To print the list, follow the directions on the next page.)

5. Directors have access to their pre-registrant information at all times by logging in to the ASAP site.

ASAP Student Status Notes

By April 13th:

Directors should have changed the status in ASAP of all pre-registered students with ENROLLED status to PENDING (if selected in the drawing), WAITLISTED (drawn after the predetermined number of seats — 16 or 18), or DROPPED (if did not meet program requirements or if a duplicate entry).

Between April 16th and 18th:

Only students who have a status of PENDING or WAITLISTED in ASAP will receive the Status Notification email that will be sent in batches from the department (see example on p. 14).

After the Pre-Registration Period Ends and During the School Year:

- Students who pre-register after the random selection drawing will appear on the program's roster in ASAP as ENROLLED.
- If a program has space for the newly pre-registered student, the status should be changed from ENROLLED to PENDING and the program should notify the family and request a reply to accept or decline the spot. Otherwise, the student should be marked as WAITLISTED and added to the bottom of the program's existing waiting list. The director should contact the family and indicate that the student is on the waiting list.
- Note that programs should maintain their own waiting lists outside of ASAP in order to ensure children's names remain in the correct order.
- An automatic email will not be sent for pre-registration applications entered after April 13th. Directors will be responsible for contacting those families individually.

Beginning May 1st and Throughout the School Year:

No student should remain in ASAP with ENROLLED status. ALL students should have one of the following status indicators as appropriate:

1. PENDING—selected in random drawing and awaiting reply from the family
2. WAITLISTED — waiting for a position to become available
3. DROPPED — student declined, student withdrew, student did not meet program requirements, student entry was a duplicate
4. COMPLETED— student accepted a position and has been assigned to a classroom

ASSIGN CHILDREN TO CLASSES

1. Log in to ASAP.

Click on the Group Classes tab, then choose the Program Name listed under EVENT. *Note that, when pre-registration is underway for a new upcoming school year, both the current school year classes AND the upcoming school year classes will be displayed. The difference can be distinguished by looking at the date listed. To work with a particular Program or Class, locate the correct date range for the relevant school year. Also note that, under Class Code, the Program will not have the (.) dot followed by a letter and two numbers. Those are the individual classes.*

ASSIGN CHILDREN TO CLASSES AFTER AUGUST 3, 2020

After random selections have been made, and, after students have responded, directors may mark students who accept as Completed and move them to the various classroom sections by splitting the class.

On August 3, ASAP will automatically put in the date of August 3, 2020 as the completed students' enrollment date. This default date will be August 3 and NOT the date when the parent registered the child.

After August 3, when a director marks an additional student completed and moves that student to the classroom, the director will be responsible for changing the enrollment date to the ACTUAL date that the student is marked completed. This can be done at the same time the student is marked completed; one additional click to select the date. Selecting or entering a time is NOT necessary. This will enable us to get an accurate count of how many days a student is in the class. The dropped date for any student leaving a class is already automatically populated.

Here is an example of a student's record when the director marks the student completed and puts in the date:

The screenshot shows a web application window titled "ASAPConnected". The main content area is titled "Enrollment Modification" and contains the following fields:

Enrollment Status:	Completed
Enrollment Date:	8/15/2020
Enrollment Time:	10:17 PM

At the bottom of the form are two buttons: "Save" and "Cancel".

Additional Information for Directors

- **Program Directors May Begin Contacting Parents on April 19th:** After the April 16th – 18th period when parents are notified of their child’s status based on the random selection drawings through mass emails from the Department of Early Childhood Education, program directors do not have to wait to hear from parents to determine whether an available position in their program is being accepted or declined. Directors may contact parents to request a decision at any time beginning April 19th. After receiving parent responses, for each child marked as PENDING, the director should confirm in ASAP whether the seat is being accepted or declined. At this point, the director will follow directions in the ASAP Guide for marking children as COMPLETED or DROPPED and for assigning students to specific classes in a school/program.
- **Students Whose Parent Accepts a Position in More Than One Program:** There is no way to prevent parents from doing this. However, in July, the Department of Early Childhood Education will attempt to identify students who are marked COMPLETED in more than one class, contact the families for a decision limited to one class, and drop the students from class(es) not selected. If a child is still assigned to more than one class once school begins, the director should note when the child doesn’t show up for class, contact the family, and drop the child if he has begun school in another program.
- **Students Removed from Other Wait Lists After Being Assigned to a Class:** Once the school year has begun, a child who is marked as COMPLETED in a program and assigned to a class will be dropped from any other programs’ waiting lists. This will be done by the Department of Early Childhood Education Office and should not be attempted by a program director.
- **Enrolling After Initial Registration Process is Complete:** Families who pre-register after the initial random selection drawing has been conducted will follow the same online pre-registration process and directors should mark them as PENDING or WAITLISTED as their pre-registration is completed, depending on availability of Pre-K class positions in the program.
- **Marking Status of Withdrawn Child:** Children who withdraw from a class during the year should be marked by the director as DROPPED.
- **Parent Contract and ASQ Forms:** Programs are strongly encouraged to have parents complete Emergency Contact and Transportation Information, Parent Contracts, and ASQ-3 documents at Parent Orientation. These documents will be the responsibility of the program and will be kept locally and checked by Coaches/Monitors for completeness. More information about this can be obtained from the Coach/Monitor.
- **Newly Selected Grant Recipient Sites:** Will be notified of registration process timeline following the grant award
