Webinar Housekeeping

- We are recording this webinar! A link to the archive of this webinar will be emailed to you tomorrow.
- This is a listen-only webinar, so you will be muted while the webinar is in progress.
- You can ask questions and make comments by typing them in the Q&A flyout. We will respond as we go, and we will have a question and answer session at the end of the webinar.
Training Certificate?

As an IACET-accredited provider of professional development, before offering certificates we are required to be able to verify that

1. the person who signed up for a particular professional development event is indeed the person who attends and
2. that the participant demonstrate mastery of relevant learning objectives.

Because our current delivery method for webinars does not allow us to meet either of those qualifications, we cannot offer certificates of participation.

For those attending the live webinar today, you will receive a proof of attendance email from Zoom within 24 hours.
