# COHORT REGISTRATION

for Early Childhood LETRS is open!

Click [here](#) to register and begin your EC LETRS journey.

## WHAT TO EXPECT:

- You will receive an email within a couple of weeks from Voyager with your login credentials – Username and Password.  
Note: sometimes this email lands in your SPAM or JUNK email account.
- Once you receive your username and password, login to the platform, view the welcome video, and take the pretest.
- Your manual will be mailed to the address that you entered in the registration form when you signed up for the course.
- While you are waiting on your manual to arrive, you can access an electronic version in your LETRS platform. Login to your platform, click on the Resources tab at the top of the screen, click on eBooks. Your manual will appear on the screen momentarily.
- Participants in the LETRS for Early Childhood Educators will use PowerSchool to register for the Live Virtual meetings that are a required part of the course.  
Note: Registration in PowerSchool is not registration for the course itself. You must register for the course by clicking [here](#) before registering for any LETRS virtual sessions.

## TO COMPLETE THE COURSE:

Go through each requirement of the course one unit at a time. For example:

- Read Unit 1 in the manual, complete the online coursework for Unit 1, complete the Bridge to Practice activities for Unit 1, attend the first virtual meeting for Units 1 and 2, Part 1 (Unit 1).
- Repeat for Units 2, 3, and 4.

**You have an entire year to complete the course, so please do not rush through the materials or coursework.**
